RE: POLL – NEW, CHANGED AND DELETED VOTERS

I hope everyone has been enjoying their summer and have tried to stay cool on those hot and humid days.

I would like to also welcome aboard our newest member to the Board, Kathleen Payne who is replacing Dorothy Krasner. Kathy has been a Deputy Registrar for many years and works in the Building Department dealing with zoning.

Enclosed, please find four separate reports as detailed below. Three of reports will need your approval and the other one is informational as you approved it at your May meeting.

Voters Pending Supervisor Approval – (noted on report New or changes from 6/1 to 8/4/06). – These are new voters who moved into Manchester or those current Manchester voters who moved with the city – This report does need your approval.

Voter Registration Records with Status of Pending Removal (noted on report – All persons pending removal per Bureau of Vital Records). These voters are from our NHVRIN system which shows voters deceased from 06/01 to 7/31/06 – This report does need your approval.

Inquiry – Voters Moved Out of City/Town (noted on report – Voters who moved to another city or town in New Hampshire who were registered in Manchester – This report needs your approval for all voters moved from 06/01 to 8/5/06. (The others listed on this report you approved at your May meeting, but they haven't been removed as we are working out a plan on how to remove them from our files as we can not get a hard copy of the registration card to place with the original voter registration card).
